### Product Details:

Gerber Life's guarantee to accept all applicants age 50 to 80 is made possible by a two year graded death benefit limitation. If death occurs within the first two policy years for any reason other than an accident, all premiums shall be paid to the beneficiary, plus 10% interest on earned premiums. Earned premium refers to the portion of paid premium that has been applied to the policy. For example, if an annual premium payment is made, six months into the policy year, half of the total premium is considered earned. If death is due to accidental causes, the full death benefit will be paid. After the two-year Graded Death Benefit period, if the insured dies for any reason the full face amount of the policy shall be paid to the beneficiary\*.
