Initial Premiums Paid through Automated Bank Account Withdrawal

Medicare supplement applications may have their initial premiums automatically deducted from their checking or savings account through a specific Electronic Funds Transfer (EFT) process identified as Automated Bank Account Withdrawal. When they do, you may fax the application and required forms instead of mailing them.

Follow these easy steps to submit Med supp apps using Automated Bank Account Withdrawal for initial premiums:

Step 1 - Complete the **Method of Payment** form

For applicants wishing to pay electronically for either their **initial** or **renewal** premium(s), complete the entire Med supp *Method of Payment* form (T03_635), included in the application package:

Step 2 - Fax the following items included in the application package to the dedicated line for Automated Bank Account Withdrawal payments at 1-866-422-9139

1. Automated Bank Account Withdrawal fax transmittal cover sheet on the back of this form, T03_627
2. Med supp *Method of Payment* form, T03_635
3. Med supp application and other required forms

Tips for Submitting Initial Premiums through Automated Bank Account Withdrawal

- Do not send a signed check for the initial premium; clients could be charged twice
- Do not fax the forms more than once; additional charges could result
- If you fax the forms, do not mail them, too; processing errors occur and additional charges result

For producer use only. Not for use with the general public.
